

**Hampstead Heath**  
Education Programme

**Hampstead Heath**  
**Golders Hill Park & Zoo**

# PRIMARY SCHOOL VISITS

Foundation  
Key Stage 1  
Special Educational Needs

**2011/2012**

# Foundation & Key Stage 1

All programmes can be adapted for Special Educational Needs

## Science

### Super seasons

*(Suitable for Foundation)*

Explore the four seasons using your senses.

### Heath beasts & Heath homes

Discover a variety of animals and plants in their different habitats using our specialist teaching gardens and equipment.

### The Great Green Plant Adventure

Delve into the amazing lives of plants on Hampstead Heath in this energetic and invigorating session.

### The Bugliest Bug

April-October (depending on weather)

*(Suitable for Foundation & yr1)*

Get hands on in our pond and garden and then learn about Dilly the Damselfly in a fun story-telling session.

## Geography

### Mad about maps

*(Suitable for yr1 & yr2)*

Learn how to use maps to find your way around. Test your skills with our treasure hunt.

### Heath beneath our feet

Find out about the rocks and soils that make up the ground we walk on in this highly interactive session.

## Creative Arts

### Eco-Art

Explore nature by making art in the landscape using natural materials.

## Bespoke

We can only offer bespoke programmes outside of our peak season (May-July).

available at  
**Hampstead  
Heath**

# Key Stage 2

All programmes can be adapted for Special Educational Needs

## Science

### Heath beasts & Heath homes

Discover a variety of animals and plants in their different habitats using our specialist teaching gardens and equipment.

### The Great Green Plant Adventure

Delve into the amazing lives of plants on the heath in this energetic and invigorating session.

### Following our footprints

Available April-October (4hrs)

Explore how humans change the Heath in various ways. Investigate signs of climate change and use the scientific method to compare the health of 2 ponds.

## History

### Time Machine

*WW2 or Victorian*

Discover what life was like for children living around Hampstead Heath in the past.

## Geography

### Mini-Orienteering & Orienteering

Can you find your way through the Heath? Learn about compasses, maps and more then embark on our orienteering challenge.

### Heath beneath our feet
