

Fees payable for the licensing of premises providing massage or special treatments and for the registration of premises that carry out the practise of electrolysis, acupuncture, ear piercing and tattooing.

1. MESSAGE OR SPECIAL TREATMENTS

Licences expire on the 31 March each year (irrespective of date of issue). The scale of fees for the grant of the whole or part of the year is as follows:

- | | |
|--|----------------|
| a) Establishments/premises providing Massage, Manicure*, Chiropody, Light, Electric, Vapour, Sauna or other baths | £470.00 |
| b) Establishments/premises providing cosmetic laser treatment or Intense Pulse Light Treatment | £595.00 |

*** Premises are exempt from the need for a massage or special treatment licence where manicure only is provided to women only or to men in full view of other customers.**

2. ELECTROLYSIS, ACUPUNCTURE, TATTOOING OR COSMETIC PIERCING

Registrations are required for establishments/premises at which the above named treatments are provided. Application for such registration is a once only requirement; it does not require renewal for each year following. Fee for registration. £470.00

Where an application for registration is made concurrently with an application for a massage or special treatment licence or where the premises concerned is already in possession of such a licence, then the City will consider charging a reduced registration fee of £235.00

Further details regarding the types of treatments for which licensing/registration is required and the associated fees can be obtained from the Licensing office by telephoning 0207 332 3406 or by email at licensing@cityoflondon.gov.uk.
