

### **WH Smith Off-Licence Conditions**

Any detail shown on the plan that is not required by the licensing plans regulations is indicative only and subject to change at any time

Locations of fire safety equipment and other safety equipment subject to change in accordance with the requirements of the Responsible Authorities or following a risk assessment.

A CCTV system is installed within the premises. Copies of recordings will be kept for 28 days and made available to the Licensing Authority or Responsible Authorities upon request.

The premises will maintain a dialogue with the Police, and will accept advice concerning any football event which may cause adverse impacts upon and undermine the licensing objectives (such as rival teams who are anticipated to arrive at the same station).

A challenge 25 policy will be employed whereby those individuals who appear to be under the age of 25 and are attempting to purchase alcohol will be asked to provide identification. The only type of identification that will be accepted is a passport, photo driving licence or PASS accredited identification. Staff will be trained in this policy and records will be kept.

Notices will be displayed advising that a challenge 25 policy is in operation.

Prominent notices will be displayed at points of sale advising customers that they may be asked to provide evidence of age.

A till prompt will be installed which will ask for a cashier to confirm they have checked the age for age restricted products.

Any alcohol shall be within view of the till and covered by CCTV.

Signage will be displayed at the exit of the premises requesting customers leaving the premises late at night to do so quietly and with consideration so as not to disturb nearby residents.

Alcohol only to be displayed in locations set out on the accompanying plans. All spirits and champagnes to be displayed behind checkout areas to which only members of staff have access.

A Personal Licence holder shall be on duty within the premises for a minimum of 40 hours per week.

There shall be no more than 10% of the shop floor area being used to display alcohol.
