

## Transport and Sustainability Forum

Tuesday, 25 May 2010

### AGENDA

#### **Working group meetings**

**A. Greening Group** – There will be an update on the insect hotels project "Beyond the Hive", and the group will be discussing the following question: How can we involve other communities and community members in biodiversity projects?

*Group Coordinator: Sarah Hudson*

**B. Waste and recycling in the City** - This group will do a site visit to the waste transfer station at Walbrook Wharf, where the City's rubbish is loaded on to barges.

**Please note:** To attend this site visit, you will need to be at the City of London Offices, Walbrook Wharf, 78-83 Upper Thames Street, EC4R 3TD at **11.45am**, **wearing flat shoes** that cover your toes. The site visit will finish at 12.40, giving you time to walk to the City marketing Suite for the Forum plenary meeting.

*Group Coordinator: Gevdet Mehmet*
