

Transport and Sustainability Forum

Tuesday, 24 November 2009

AGENDA

Working group meetings

(these will run simultaneously)

- A. **Transport Initiatives**; A representative from the DLR will be presenting to the group explaining the proposals for the closure of the Bank DLR platforms for 4 weeks starting on 24th December. There will also be an officer update on City schemes and their progress and an update from transport operators of any work the group should be aware of.
- B. **Local Development Framework** - Core strategy consultation; A public consultation on the draft policies, covering issues such as maintaining the City's role as a world financial and business centre, culture and heritage, environmental sustainability and the needs of our residents will be undertaken between 9th November and 21st December. This workshop offers the opportunity for a presentation and discussion regarding these policies.
- C. **Carbon Descent** - London Plan Consultation; The London Plan describes an integrated economic, social, environmental and transport framework for the development of Greater London over the next 20-25 years. This workshop provides an opportunity to discuss the Plan's implications for the City, particularly with regards to climate change, and develop a response to the public consultation.
