This week, the Road Closure free routes through the City Of London are set out below. (Correct at time of publication).

West to East:	Fleet Street, Ludgate Circus, Ludgate Hill, St Paul's Churchyard, Cannon Street, Eastcheap, Great Tower Street
East to West:	Aldgate High St, Dukes Place, Bevis Marks, Camomile St, Wormwood St, London Wall, St Martin's Le Grand, Newgate Street, Holborn Viaduct, Holborn Circus, Holborn.
North to South	Norton Folgate, Bishopsgate, Gracechurch Street & London Bridge
South to North:	London Bridge, Gracechurch Street, Fenchurch, Bishopsgate & Norton Folgate.

There is a new link from our streetworks page on the CoL web site to Google:

http://www.cityoflondon.gov.uk/Corporation/LG_NL_Services/Transport_and_streets/Roads_highways_and_pavements/streetworks.htm.

Then click on 'View Live Traffic Status'. By using live info from a number of sources, Google Maps have added live traffic data to their maps if you click 'traffic'. It shows fast moving traffic in green, and the darker the lines get, the more congested it is. It mainly covers major & TfL roads.
